

## Declaration of Climate Emergency, Town Meeting Article 34

Approved at Eastham Town Meeting, 2020

**Text of Eastham's Declaration of Climate Emergency:** The Town of Eastham recognizes that the climate emergency, driven by human activity including energy consumption and land use practices and leading to global warming, rising seas, deadly storms, dangerous heat waves, acidifying oceans, and melting ice sheets, poses an imminent threat to the health, safety and economic security of the residents of the Town. The Town of Eastham therefore adopts as its policy the objective of reducing net greenhouse gas emissions from human activity within and by the Town to zero at the earliest technically and economically feasible time, and directs that all officers and departments of the Town take such measures within the scope of their respective responsibilities and
