

# Notice on the MOR-EV Regulations

Greetings,

On **July 17, 2026**, the Department of Energy Resources (DOER) filed with the Secretary of State's Office to amend the existing regulations for the Massachusetts Offers Rebates for Electric Vehicles (MOR-EV) Program under 225 CMR 26.00. The proposed amendments are intended to streamline the application processes and make the program more cost-effective and equitable. The amendments include a number of proposed changes, including lowering vehicle price caps for light duty new and used vehicle rebates and class 3-8 vehicle rebates. The amendments also include changes in rebate amounts for individuals acquiring pick-up trucks, class 2b vehicles, and class 3-8 vehicles, as well as the addition of an income threshold as new eligibility criteria for the MOR-EV+ adder.

To see the changes, please visit the [MOR-EV Rebate Program](#) webpage and review the redline and clean version of the regulations.

DOER will hold a comment period on the new regulation. Written comments will be accepted beginning **July 31, 2026 and ending at 5:00 PM on September 4, 2026**. DOER requests that written comments be submitted as attached .PDF files to [Morgan.Bowler@mass.gov](mailto:Morgan.Bowler@mass.gov) with the words "2026 MOR-EV RULEMAKING COMMENTS" in the subject line.

Additionally, DOER will hold a [virtual public hearing](#) on September 1, 2026 at 6:00 PM on Zoom (Registration Link - [MOR-EV Virtual Public Hearing Zoom Registration Link](#)).

There will be a second [in-person public hearing](#) on September 2, 2026 at 1:00 PM in the 2nd Floor Conference Room of 100 Cambridge Street, Boston, MA 02114. Register in advance for this in-person hearing to Morgan Bowler at [Morgan.Bowler@mass.gov](mailto:Morgan.Bowler@mass.gov) by providing name, organization, and email.

If you have any questions, please reach out to Morgan Bowler at [Morgan.Bowler@mass.gov](mailto:Morgan.Bowler@mass.gov).

Best,

The Massachusetts Department of Energy Resources
